## Structural Features

The aluminum floor base is made of a special aluminum alloy to provide a durable structure.

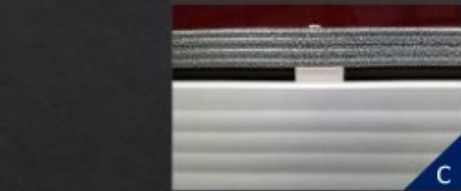

The integrated bow structure ensures durability of the front section, which is the most vulnerable to impact.

The wooden deck is made of marine -grade pressure-treated plywood with a preservative - treated coating on the underside and is attached to the floor base with SUS tapping screws and marine-grade adhesive.

Special M-shaped brackets are used to connect the aluminum float to the floor base to maximize the number of contact points and strengthen the connection structure.

**A** The marine sofa is made of premium, weather-resistant materials, ergonomically designed for refined luxury.

**B** SUS bolts and nuts are used at the main attachment points of the floor base and wooden deck to increase strength and reduce deflection. This construction minimizes torsion between the deck and frame and provides strength under load.

**C** Spacers are installed between the aluminum exterior wall and the deck to provide excellent drainage and keep the topside dry.

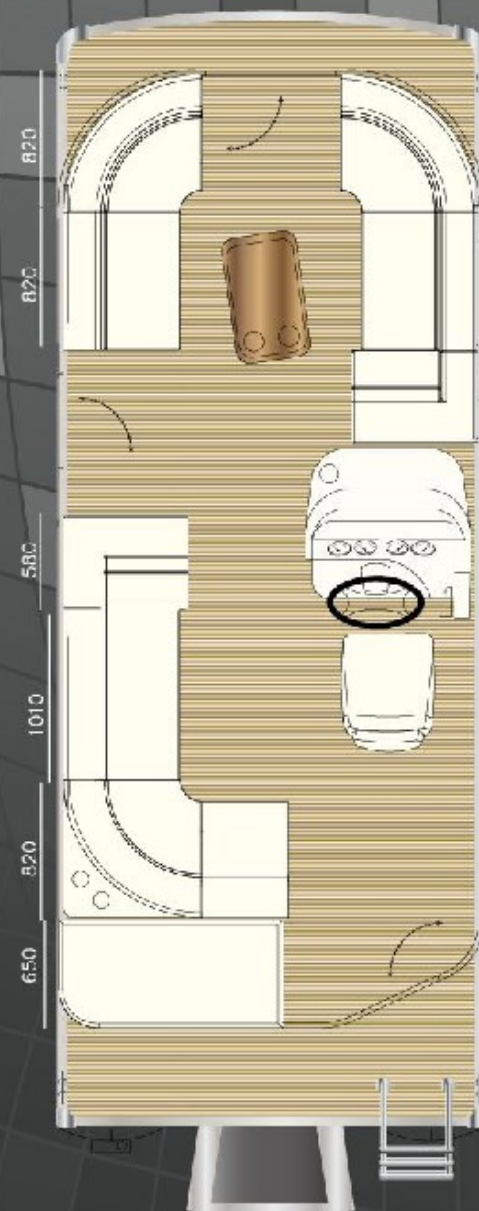

Model	AIR600F	Type	Fishing
LOA	6.050m	Weight	900 kg
Beam	2.580m	Capacity	8
LOD	5.520m	No. of Logs	2 (Catamaran)
Log Diam.	0.635m		

Model	AIR700S	Type	Standard
LOA	7.240m	Weight	1160 kg
Beam	2.580m	Capacity	12
LOD	6.710m	No. of Logs	2 (Catamaran) 3 (Trimaran)
Log Diam.	0.635m		

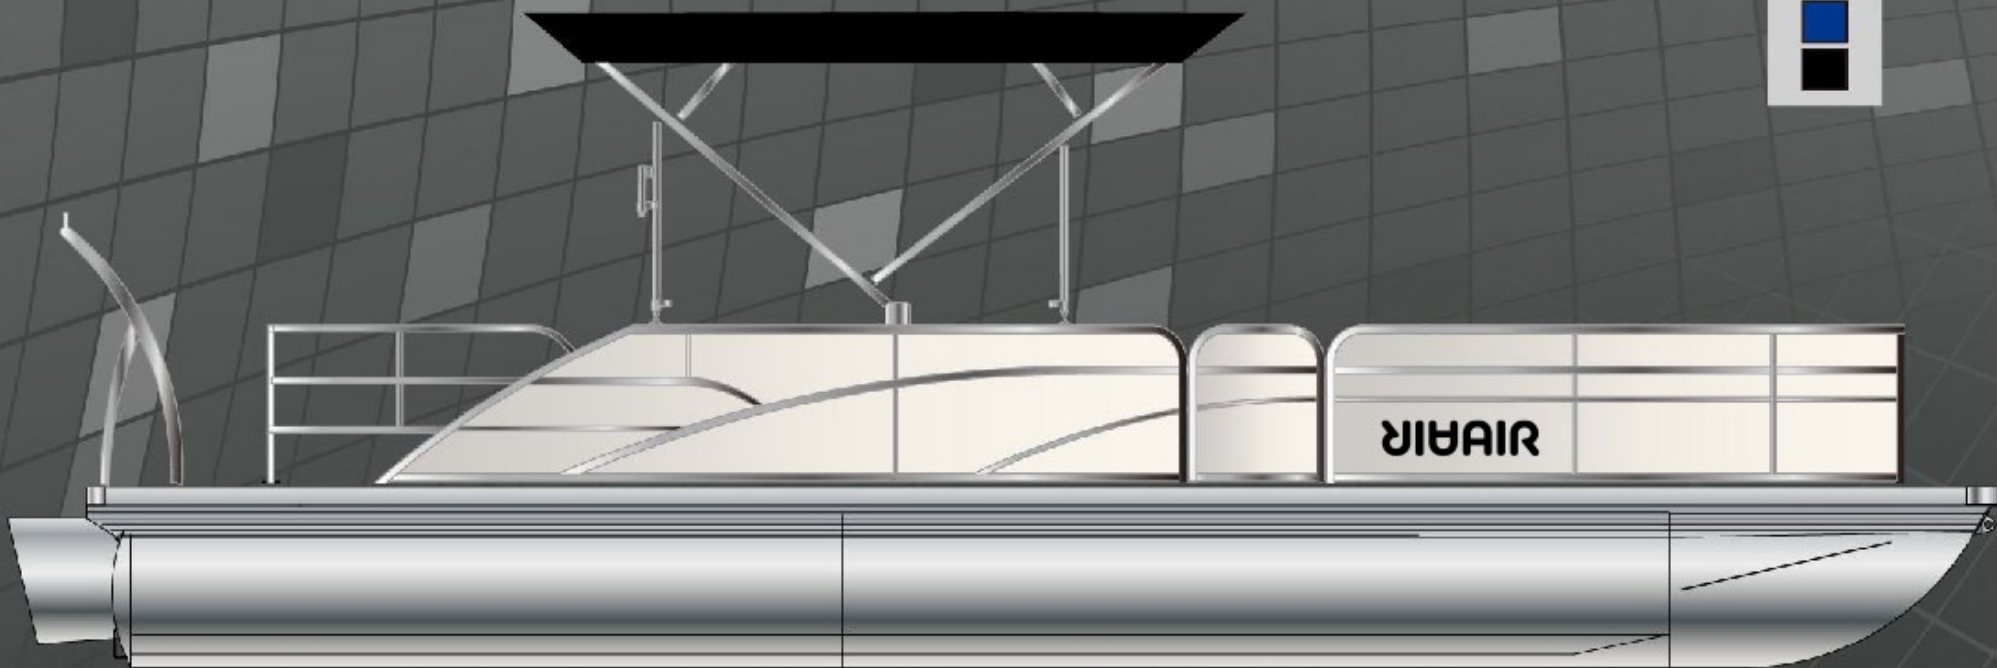

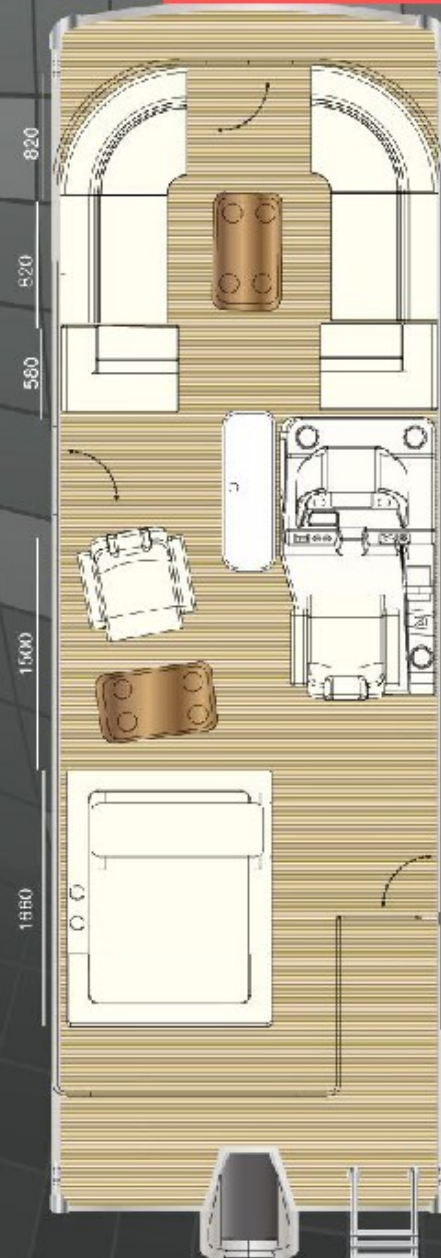

Model	AIR750S	Type	Standard
LOA	7.600m	Weight	1200 kg
Beam	2.580m	Capacity	12
LOD	7.080m	No. of Logs	2 (Catamaran) 3 (Trimaran)
Log Diam.	0.635m		

# AIR800V

Hull Panel Color

Model	AIR800V	Type	VIP
LOA	8.220m	Weight	1500 kg
Beam	2.800m	Capacity	12
LOD	7.880m	No. of Logs	3 (Trimaran)
Log Diam.	0.635m/0.710m		

### Standard Equipment

1. Aluminum Pontoon Logs	2~3 ※ 1
2. Aluminum Alloy Floor Base	1 set
3. Wooden Deck (Backside Anti-Rot Treated)	1 set
4. Aluminum Gunnel	1 set
5. Aluminum Fencing Panels ※ 2	1 set
6. Boat Carpet Flooring ※ 3	1 set
7. Stainless Steel Corner Protector (4)	1 set
8. Aluminum Bow Eye & Stern Eye	1 set
9. Fiberglass Console Box	1 set
10. Driver's Seat (Sliding Type)	1 set
11. Marine Sofa	1 set
12. Deck Awning (Fore & Aft Connecting Type)	1 set
13. Full Boat Cover	1 set

※ 1 Catamaran = 2 Floats, Trimaran = 3 Floats.

※ 2 Color and Position can be customized.

※ 3 Color and Specification can be customized.

### Hull Panel Color

Black

White

Blue

Red

Champagne Gold

Gray

### Optional Equipment

- |  |       |
|--|-------|
| 1. Navigation Light  | 1 set |
| 2. SW Control Panel  | 1 set |
| 3. Electric Marine Toilet<br>(Freshwater Tank & Water Pump Type) | 1 set |
| 4. Marine Stereo 4-Speaker System                                | 1 set |
| 5. Leisure Table   | 1 set |

### Marine Sofa Color

Material and color combinations can be selected at the time of order.

\* Final design of boat may differ from the above illustration.
